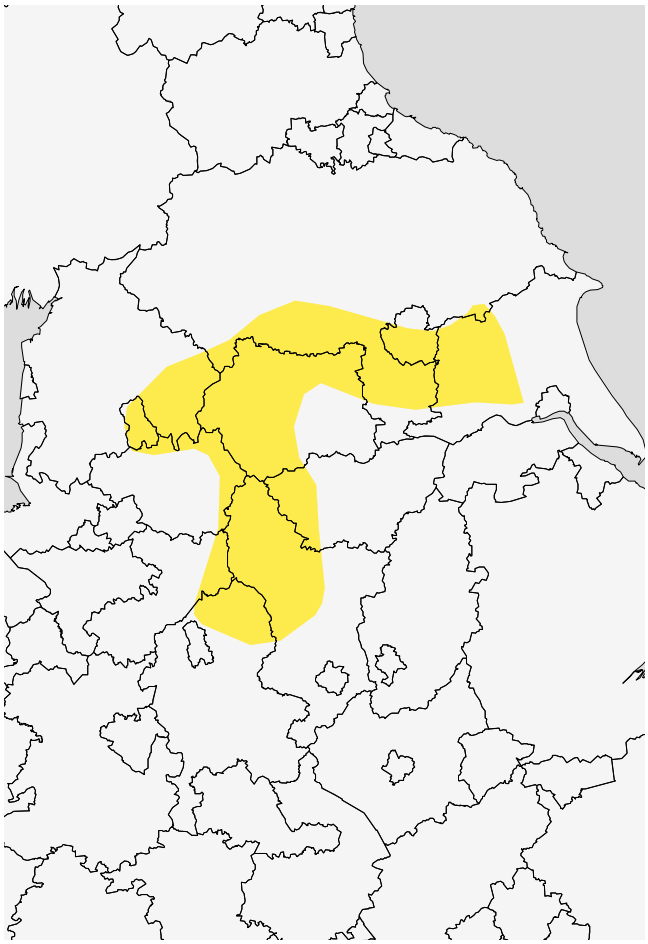
Yellow warning
Snow

Between
11:00 Sat 19 Feb 2022 and
15:00 Sat 19 Feb 2022



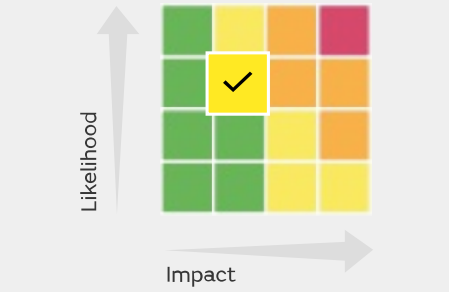
A short period of heavy snow may cause some temporary disruption on roads, mainly across higher ground such as the Peak District.

What to expect

- Some roads and railways likely to be affected with longer journey times by road, bus and train services

Further details

Rain may turn to heavy snow in a few places later this morning and early this afternoon. This is most likely on roads above 200 metres elevation, such as across the Peak District, but also a lower likelihood to some lower elevations in Yorkshire. Some places could see 2-4 cm of slushy snow which could build up quite quickly, before conditions ease from the west this afternoon.



Medium likelihood of low impacts
